

DATA SHEET IVECO additional cabin step

IVECO Daily		
Iveco Eurocargo ML 120/140		
Iveco Eurocargo ML 180		

DESCRIPTION & TECHNICAL NOTES

The additional step facilitates an easier access to the cab and can be mounted on both sides, left and right. Installation can be completed directly at System Truck or locally by the customer with the appropriate kit.

The vehicle on which one or two steps have been installed does not require subsequent testing, as the steps are designed to remain within the vehicles homologated profile.
